FREE FROM GENDER BASED DISCRIMINATION:
TEACHERS & PARENTS TOGETHER

www.projectfree.eu

ABOUT THE PROJECT

FREE is a pan-European project which is designed to address the issue of gender-based discrimination in schools.

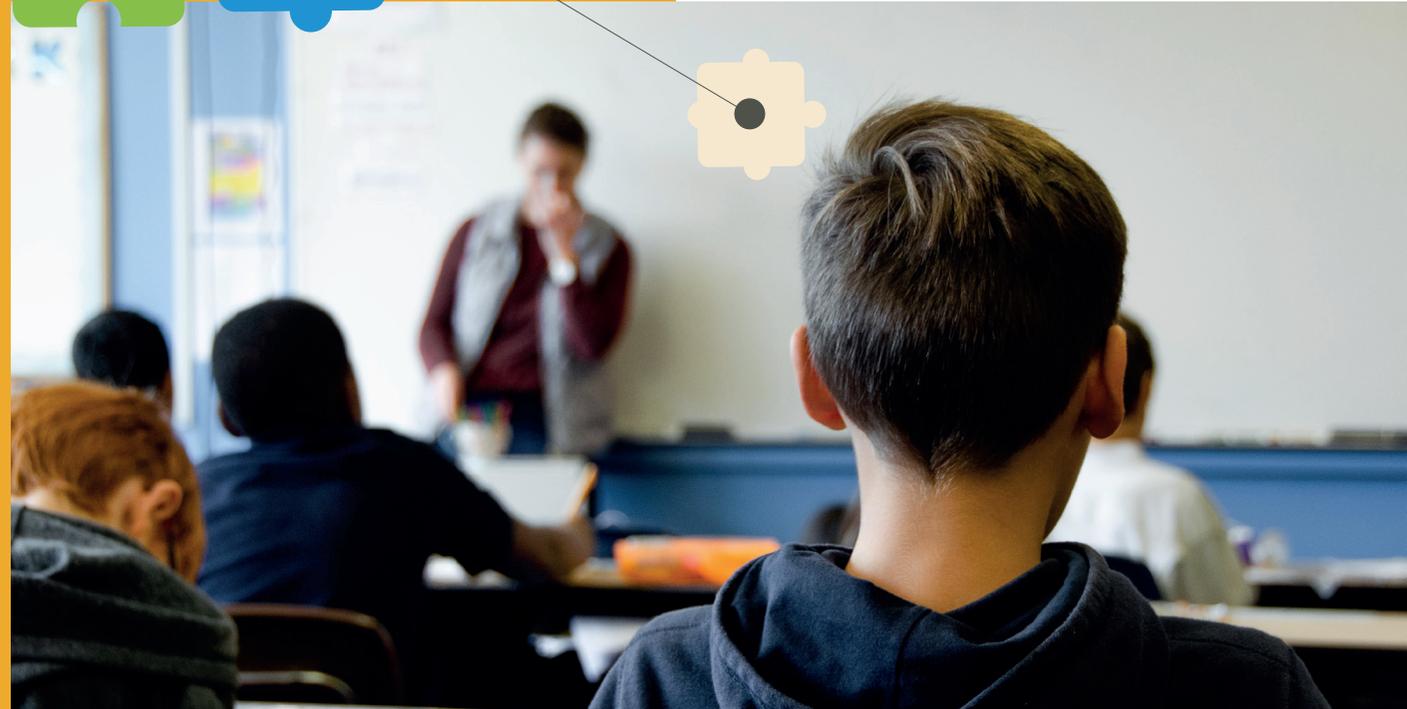

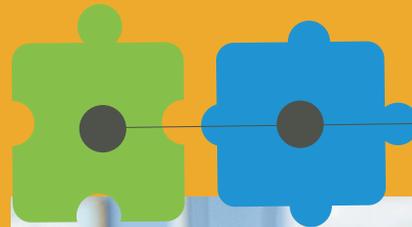

Unfortunately, gender-based discrimination is a problem present in schools all over the world. Gender-based discrimination can have a devastating impact on the comfort, wellbeing, and success on the children who experience it, long after they leave the school environment.

Recognising this, FREE will bring parents and teachers from across Europe together, and develop the tools and techniques to address this problem. By doing so, together, we will ensure that children's school experiences are as safe, positive, and as enjoyable as they deserve.

FREE WILL BE IMPLEMENTED IN 5 COUNTRIES (THE UK, GREECE, LUXEMBOURG, SPAIN, NORTH MACEDONIA).

FREE WILL CREATE INNOVATIVE TOOLS, MATERIAL AND METHODOLOGIES TO:

- 📖 Develop the skills needed to tackle gender-based discrimination
- 📖 Identify and address incidents of gender-based discrimination
- 📖 Help parents and teachers work together to fight discrimination.

OUTCOMES AND RESULTS

FREE WAS CREATED WITH THE FOLLOWING OBJECTIVES

- 📖 To help teachers develop the skills, attitude and knowledge to effectively address gender-based discrimination in their classroom
- 📖 To help parents understand the issue of gender-based discrimination in schools
- 📖 Help schools pursue a 'whole school approach' to tackle gender-based discrimination.
